## Background

BW is a workplace and interiors fit out and refurbishment specialist with a head office in London.

Spiralis is a specialist in the design, planning and supply of coordinated interiors ranging from structural elements to furnishings and accessories. With the experience of professionals who have been active globally in the office space planning and office fit out industry and the clear objective of delivering the highest quality level at every stage of the process.

## Brief

Spiralis were appointed by BW to provide frameless glass partitions, sliding door sets and bespoke screens for their offices at 5 Old Bailey, with features to enhance the corporate diagonal design theme throughout the installation.

## Solution

Working with Spiralis, MIDDAS took the design concept and provided an engineered solution to screen the existing external windows within the building, utilising bespoke diagonal, trapezoid profiled panels in pressed mild steel, hung from a supporting frame modified from the MIDDAS M100 partition system and incorporating removable, perforated inserts to customize the design further.

“MIDDAS have the experience, knowledge, skills, products and systems to provide the solutions to complex challenges. They are our go-to company.”
